

New Manheim Identity: Making It Easier For Customers

You'll see a new look when you visit Manheim locations. Manheim's North American operating locations are changing their names to create improved consistency and easy identification for customers.

Besides the name change, each location has a redesigned logo that features a more prominent use of the Manheim identity and eliminates "auto auction" in recognition of how diverse Manheim's business is today.

New Name	Former Name	New Name	Former Name
Manheim Albany	Northway Exchange Auto Auction	Manheim Minneapolis	Minneapolis Auto Auction
