

## Manheim's \$3,000 & Under Arbitration Policy

All vehicles, both in-lane and Simulcast, selling for \$3,000 and under, by default, are considered AS-IS and are only subject to arbitration for odometer issues (present and history) and title issues (present and history).

### What this means:

- Any vehicle sold in-lane and on Simulcast, regardless of selling light, that sells for \$3,000 & under will be considered AS-IS and only subject to arbitration under limited conditions.
- All vehicles will be offered under the Red Light if the bidding process starts under \$3,000.
- Sellers will have the option to change the selling light from Red Light to Green Light once the bidding exceeds \$3,001.

Effective August 1, 2011
